1. Once you exit from Cheung Sha Wan MTR exit B, you will be on Fat Tseung Street. Walk straight along this street. You should see a playground by your immediate left-hand side.
2. Carry on walking along Fat Tseung Street until you reach the pedestrian crosswalk on Lai Chi Kok Road.
3. Cross the pedestrian crosswalk.
4. Take the other pedestrian crossing that will bring you to the other side of Fat Tseung Street, in front of Tins Enterprise Centre building.
5. Keep walking straight. You will pass the car entrance for The Sparkle building along the way. Unfortunately, pedestrians are not allowed to enter through this entrance, so you will need to keep walking!
6. Once you have reached corner of the block, turn right and keep walking. The entrance will be on your right-hand side.
7. We are located on the first floor. We encourage you to take the escalator to L1, as that will bring you straight to the front desk. Otherwise, there are also lifts available.
